CATRIONA

Eldon Branch

We are thrilled to introduce Catriona as the new branch manager at our Eldon location! She takes over for Ruby, who has retired after an incredible 60 years of dedicated service. While Cat has some big shoes to fill, we're confident she's up to the task and will excel in her new role. Catriona's favorite genres include fantasy/paranormal romance, and dystopian fiction. She's already been enjoying getting to know our patrons and their reading preferences. "I love being able to give recommendations!" says Catriona.

LYSHA

Maries County

Please join us in welcoming our new Maries County Library Services and Outreach Programmer, Lysha! We truly hit the jackpot with her on board. With a Master's degree in Library Science and a wealth of experience, including her previous roles as a school librarian in Tusculumbia and at the Missouri State Library, Lysha is an incredible asset to our team. We're excited to have her expertise. You can find Lysha's office at the Vienna branch.

ANGIE

Vienna Branch

Please join us in welcoming Angie as the new branch manager at our Vienna branch! With 30 years of experience in business and computers, Angie brings a wealth of knowledge and expertise to our team. Having recently retired from teaching these subjects at Maries R-1, she is now ready to embark on this new chapter with Heartland. We are thrilled to have her on board and excited about the fresh perspective she will bring to our library.
